

VILLA MARIA DEL MAR

WISDOM FOR EMBRACING OUR FULL HUMANITY

Monday, July 10 - Friday, July 14, 2023

***Presenters: Mary Boys, SNJM
and Miriam Malone, SNJM***

We are, as the Psalmist writes, "awesomely and wonderfully made." We are capable of great generosity of spirit, loving with a largeness of heart, making our world a better place, persevering through heartache and difficulty. And yet...we are broken, judging others self-righteously, acting out of our anger and resentment, caught up in the evil of "the system."

Come gather with us to draw creatively upon the Scriptures, seeking its wisdom for embracing our full humanity—our brokenness and our goodness, our despair and our hope, our cynicism and our longing.

Our time together will include presentations, group reflection and discussion, and ritual prayer. The retreat will conclude with Eucharistic liturgy on Friday, July 14th.

**Retreat begins at 4:00pm Monday, July 10th;
registration is 2:00-3:00pm. Retreat ends with lunch
on Friday, July 14th.**

COST: \$500

Mary and Miriam are pleased to return to Villa Maria Del Mar bringing their differing yet complementary passions for Scripture and ritual to this sacred time together. Mary has worked principally in theological education in Boston and New York City as well as in international settings. Miriam has held variety of positions in liturgy and pastoral education on the west coast, and has facilitated retreats nationally and locally. Mary and Miriam look forward to this opportunity to journey with those who will gather for this retreat.
